

KENYA WITH KIDS

Night 1: Nairobi, Giraffe Manor – kids can hand-feed tall friends at this lovely Colonial mansion!

Nights 2 to 4: Samburuland, kids learn bush skills from real warriors (spear chucking, tracking animals) and get up close and personal with elephant families (and helicoptering an option here, too!)

Nights 5 to 9: Maasai Mara, get amid teeming herds of wildebeest and zebra during the Great Migration, and picnic near (but a safe distance from) crocs and hippos in the Mara River. Combo of 2 camps over 5 days for double the adventure, and—
special offer: you'll get a free night!

Nights 10 to 12: Chyulus, overlooking Mt Kilimanjaro, kids and their parents can horseback ride to their own private "bush breakfast" then cool off in the main camp's delicious pool!
